Simla, 2nd August 1916.

No. 6837.—The following letter received from the Government of the East Africa Protectorate is published for general information :—

THE SECRETARIAT, NAIROBI,
EAST AFRICA PROTECTORATE,
June 27, 1916.

Sir,

I have the honour to inform you that the Government of British East Africa Protectorate has recently had under consideration the desirability of enforcing more strictly the provisions of the Immigration Restriction Ordinance, 1906, and the Immigration Restriction Amendment Ordinance, 1910, copies of which are enclosed herewith.

2. Section 11 of the original enactment provided that any person appearing to be a prohibited immigrant under section 3 (a)* might be permitted to enter the Protectorate on payment of a deposit according to nationality.† In the course of time this restriction was shown to be acting as a deterrent in the case of persons who might well be admitted to the country, and the amending Ordinance was promulgated whereby the Immigration Officer was empowered to accept security in lieu of the deposit.

3. In the great majority of cases no arrangements for this security are made prior to embarkation and in consequence such persons have hitherto been allowed to land in order that they may be given the opportunity of finding a surety. This concession has led to abuse and is itself objectionable inasmuch as the deposit prescribed by section 11 of the Ordinance of 1906 is payable before landing and if this section is read together with section 3 (1) of the amending Ordinance of 1910, it is clear that the demand for security must also be complied with before landing.

4. The Government has therefore decided that all immigrants should either make the necessary deposit, or provide the security required, before leaving the ship on arrival in port. The strict enforcement of this regulation will take effect as from the 1st of September 1916 and I have the honour to request that steps may be taken to make this procedure known in those districts from which immigrants to British East Africa usually arrive. Persons who cannot deposit the necessary sum or have failed to find the requisite security will after that date be sent back to India, and the Government of this Protectorate will not hold itself responsible for any expenditure thus incurred.

I have the honour to be,

Sir,

Your most obedient servant,

C. C. BOWRING,
Chief Secretary to Government.

Local Governments and Administrations are requested to make the intimation contained in the letter as widely known as possible, particularly in places from which emigration to British East Africa is believed to be most common. Intending emigrants should also be warned of the risks they run in proceeding to the Protectorate if they are unable, before landing, to deposit the sum of Rs. 60, or to comply with the demand for the requisite security in lieu of the deposit.

G. T. BOAG,
Secretary to Government.

No. 491-D/34, dated 18th July 1934, published on page 373 of Part I-B of the *Fort St. George Gazette*, dated the 24th July 1934, and with reference to the syllabus in Typewriting—Higher Grade (Oral and Practical portions only), the following list of duplicating machines that have been approved for use in connexion with the Government Technical Examinations is published for the general information of the heads of commercial institutions in the Presidency and in the Indian States and of the candidates offering themselves for the examination:—

1 Multor, hand feed.
2 R.R.R. No. 14, hand feed (Old R.R.R. No. 11).
3 Roneo No. 2, hand feed.
4 Roneo No. 100, self-feeding.
5 Ellams D-1, hand feed.
6 Ellams K., self feeding.
7 Roto Rotary No. 8, self-feeding.
8 Gestetner No. 3, hand feed.

10 " No. 66, automatic.
11 Roneo No. 10, self-feeding.

The knowledge of the duplicating machines mentioned above with regard to the cutting of stencil and the taking of copies on them will be demanded of candidates with effect from the examination of January 1935. They are, therefore, warned to pay adequate attention to this part of the syllabus. Candidates are expected to bring with them when they attend the Oral and Practical examinations, any one of the above duplicating machines in addition to the particular kind of typewriter which they used while answering the written test.

3. *Seats and accommodation for the candidates.*—(a) Candidates will be permitted to bring with them for their use at the examination hall their own tables, chairs or stools, if they choose, provided they take care to see that by so doing, they do not give room to the slightest disturbance being caused in the examination hall.

(b) The candidates will be allowed to take their seats in the examination hall five minutes before the appointed hour for giving out the question paper and supplied with the necessary paper for answering and get their machines ready for work with paper inserted in them and to have their register numbers at the left hand corner of their answer papers and the particular kind of Typewriter they use at the right hand corner, typed before the question paper is given to them.

4. Candidates are strictly told not to write anything on the question paper itself. Calculations or any other points they wish to note must be written on one of the blank sheets supplied to them and such sheets including the carbon papers should be left on the table. Further, candidates are strictly warned not to take carbon copies more than what is required of them in the question paper.

5. The candidates will, if necessary, be examined in *batches* but at least every *four* candidates for the Lower grade, at least every *two* candidates for the Higher grade, must have one machine among them.

4. Managers and Instructors of Institutions concerned are expected to see that their pupils are supplied with Typewriting machines in proper working order.

5. Managers and Instructors will be allowed into the examination hall in the intervals between the various batches to inspect the machines and to remedy any defects. They should take care to see that they do not remain in the examination hall while the question paper is being distributed to the candidates in the examination hall or while their pupils are answering the question papers.

6. If, however, a candidate reports to the Superintendent that his machine has gone out of order, the Superintendent will intimate this to the Manager or Instructor, if he is waiting outside on the premises, and will permit such Manager or Instructor to enter the hall (though the candidates may be at work) to inspect the machine and to remedy the defect or to supply another machine. It must, however, be clearly understood that the Superintendent incurs no responsibility in this matter; his action will be purely *ex gratia*, the whole responsibility resting on the candidate and the Manager or Instructor.

A similar concession will be allowed in the case of a private candidate, if he has someone outside who is willing to inspect the machine and put it right, etc.

No extra time will be given to candidates to compensate for loss of time while the machine is out of order and is being put right.

In the Mufassal.

Heads of Institutions who are desirous that their pupils should be examined in batches and private candidates who desire to be similarly examined should make the necessary arrangements with the Chief Superintendent concerned *four* days before the examination and furnish him with all the necessary information as to the number of candidates and machines and the time at which each batch will attend on the day fixed for the examination.

At Madras.

Lower Grade—Candidate's Hall Ticket.—Tickets of admission specifying the particular batch (first or second and so forth in which the candidates elect to appear) will be issued on Thursday, the 13th July 1933, between 10 a.m and 5 p.m. at the Office of the Commissioner *for* Government Examinations, Old College, Nungambakkam. These tickets should be shown at the entrance to the examination hall. Candidates who produce tickets will be admitted to the batch specified in the tickets. Candidates who do not provide themselves with tickets cannot claim to be admitted to any particular batch. They will be admitted only, if spare seats are available in the hall, i.e., after seats are reserved for those who have registered their names and obtained tickets for the batch. Candidates who do not hold tickets will accordingly have to wait at the entrance to the examination hall from the hour of commencement of the first batch and take their chance of being provided with seats in the first or in any subsequent batch. To avoid all inconvenience and possible disappointment, heads of institutions who are desirous that their pupils should be examined in batches and private candidates who desire to be similarly examined are particularly requested to call at the office on Thursday, the 13th July 1933, with all the necessary information as to the number and name of candidates that will attend at the particular batch on the day fixed for the examination and obtain tickets of admission accordingly. *No tickets can on any account be sent by post whether to heads of institutions or to private candidates.*

Candidates that have such a separate machine and that do not want to be examined in batches are expected to appear for their examination with the third batch for the Lower grade. But this does not preclude them from registering their names for that batch and obtaining tickets accordingly.

Candidates for the *Higher grade* may appear for the first or second batch at their option and *no tickets accordingly are issued for this grade.*

Instructor's Hall Ticket.—Managers or Instructors of Institutions and other persons who wish to be allowed into the examination hall in the intervals between the examinations of the various batches to inspect the machines and remedy any defects, are requested to call at the office on Thursday, the 13th July 1933, and have their names registered. Tickets of admission specifying their names, the institutions to which they belong, etc., will be issued to them and these should be produced at the entrance to the examination hall.

Both at Madras and in the Mufassal.

(iii) Attention is particularly drawn to the following rules:—

1. No candidate will be allowed to enter the examination hall unless he wears a clean and decent dress, and in all cases where good manners require it, a suitable covering for the head, nor will he be allowed to keep his shoes on unless they are shoes of English pattern, and socks and trousers are worn also.

No candidate suffering from any contagious disease will be admitted to the examination hall.

2. Candidates are expected to take their seats in the examination hall at least five minutes before the time fixed for giving out the question papers. No candidate will be allowed to quit the examination hall on any day until the expiration of half an hour from the time fixed for the commencement of the examination and candidates arriving after the expiration of that half-hour will not be admitted.

3. No candidate will be allowed to re-enter the examination hall during the hours of examination after once quitting it, nor to leave the hall without finally giving up his answer papers.

4. Strict silence should be maintained in the examination hall.

5. *No candidate will, on any account, be allowed to take into the examination hall slates, books, or portion of a book, ruled sheets, manuscripts or papers of any kind.* Any candidate detected in the violation of this rule or detected in speaking to, or in any way communicating with or copying from each other and in communicating with any other person outside the examination hall or having recourse to any unfair practices will be sent out of the hall forthwith, and his conduct reported to the Commissioner for disciplinary action. The use of mathematical instruments for drawing figures or ruling lines will, however, be allowed.

6 Candidates are forbidden to note down the answer to any question on the question paper itself; they will not be allowed to take any papers, except their question papers, out of the examination hall.

7. Candidates are forbidden to tear up paper, or to throw ink or papers on the floor. All 'spoilt' copies, etc., should be left on the desk where the candidate has been writing.

8. Candidates may have to write their answers on both sides of the paper supplied to them and they will receive the necessary instruction on this point in the examination hall from the Chief Superintendent of the examinations.

9. No candidate will be allowed to exceed the time assigned to each paper.

10. As soon as candidates have finished writing their answers and wish to give up their answer papers, or at the end of the period prescribed for each particular part of the examination, each should rise from his seat and remain standing until one of the Superintendents has gone up to him and has received his answer paper from him. Any candidate wishing to ask any question of the Superintendent will pursue the same course but will on no account leave his seat.

11. Candidates whose names are not in the printed list furnished to the Chief Superintendent must submit a written declaration through the Chief Superintendent giving full particulars in regard to themselves *including their address*, and furnish such evidence as may be possible of their having applied for admission to the examinations at the proper time and paid the prescribed fees. The answer papers of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

12. Candidates are requested to note carefully the particulars printed in the nominal list and satisfy themselves whether they tally with those as given by them in their applications for admission to the examinations, as that any alteration with regard to their initials, name or class of community or any other correction that may appear necessary might be pointed out by them in writing to the Chief Superintendent.

13 Candidates choosing to change their place of examination without previous permission, or appearing at any centre other than the one at which they ought to have appeared according to the notice published in the Gazette, must not expect to have their papers valued or their results published. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

14. The answer papers should be stitched or pinned together at the upper left hand corner, and the whole folded into five, lengthwise (not crosswise into four). The register number, the place of examination and also (in the case of the examinations in Typewriting, the name and Model number of the Typewriter used)

should be written out clearly by the candidates on the top right-hand side of the first page of the answer paper, as well as on the top of the paper after it is folded.

[N.B.—(1) Candidates are strictly forbidden to write or type their names on the answer papers.

(2) Candidates should distinctly understand that failure to furnish each any one of these particulars may involve the rejection of making their answer papers—particularly the answer paper sent up without the candidate's register number and name of centre will not be valued.]

Section A.

1. Awards by the University in aid of Post-Graduate study and Research will be of three kinds :—

(i) Research Studentships.
(ii) Research Fellowships.
(iii) Grants-in-aid of Research.

(i) *Research Studentships.*

General terms thereof. 2. Studentships may be awarded annually to graduates or Diploma holders of the University in accordance with the laws set forth below if candidates of sufficient merit with aptitude for research present themselves.

The studentships, which will be tenable only in India, will be awarded to enable graduates or Diploma holders to undertake research in any subject (Departments of Teaching) comprised under the Faculties of the University.

Qualifications. 3. No candidate shall be eligible for a studentship unless he has qualified for a degree, title or diploma in this University in any Faculty, provided that where in any year all the studentships are not awarded, the Syndicate may, at its discretion, award one or more studentships to any candidate or candidates, who may not be graduates or Diploma holders of the University, or be eligible as aforesaid.

Number of studentships. 4. The number of research studentships that will be annually awarded shall be limited to the provision in the budget for the year, and shall in no case exceed the following :—

(a) Ten studentships under the general funds of the University—Research and Development Fund Account ;

(Awards made in Languages attached to the Oriental Research Institute of the University shall be classified under this head.)

(b) Four studentships under each of the Departmental Accounts in Arts subjects (Economics, History, Indian Philosophy and Mathematics); and

He must also state where and under whose supervision and guidance he proposes to conduct his research.

(iii) The applications, together with the reports thereon of the Heads of the University Departments or the Professors of the Institutions, shall then be forwarded to the Boards of Studies dealing with the subjects in which the candidates desire to investigate, for their recommendation in the order of preference.

Fees. 10. Research students working in the departments of the University shall pay such fees as may be prescribed.

Report of work and progress. 11. During the tenure of his studentship, the holder must engage diligently in his investigation. Bond to be executed.

12. Each student shall enter into a bond with the University, the terms of which shall be settled by the Syndicate, agreeing to engage diligently in research work during the tenure of his studentship, and to refund to the University the amount of the studentship drawn by him in case of resignation before the expiry of its tenure, or of its forfeiture for misconduct or for unsatisfactory progress.

The Syndicate shall have power to waive the claim for refund in case of ill health supported by a medical certificate, or in cases where it considers sufficient cause has been shown to warrant exemption from repayment. No such case will be considered by the Syndicate until the student has submitted to it an account of his researches so far as they have progressed.

Results of investigations.

13. Each student shall submit a copy of the paper embodying the results and giving an account of his investigations to the Syndicate at the end of the tenure of his studentship. Such paper shall be submitted within a period of three months from the date of termination of the studentship.

(ii) *Research Fellowships.*

Number and qualifications.

15. Fellowships, not exceeding five in number, which shall be tenable only in India, may be awarded annually to such persons, graduates, or teachers in Constituent or Affiliated Colleges of this University, who produce evidence, preferably by work already published, of capacity to advance knowledge by original investigation.

16. The value of each Fellowship shall be Rs. 125 per mensem.

Tenure of fellowship.

A fellowship shall be tenable ordinarily for a period of one year from the date on which the Fellow commences work on his investigations under the University, and may be renewed for an additional year if the Syndicate considers that the work of the fellow merits an extension of term.

Fellows to be full-time.

17. Each Fellow shall be a full-time research worker while holding the fellowship and shall not accept any other remunerative work without the previous sanction of the Vice-Chancellor.

18. The laws relating to the receipt of applications for and the grant of studentships, payment of fees, submission of bond and reports shall *mutatis mutandis* be followed in respect of the grant of Fellowships except with regard to the preliminary work for three months.

NOTIFICATIONS.

No. 8.—In virtue of the powers delegated under clause XI of Government Notification No. 485, dated 12th July 1906, published on pages 1202 and 1204 of the *Fort St. George Gazette*, dated 29th September 1906, Part I, as amended by Government Notification No. 101, dated 14th March 1924, and in supersession of Commissioner's Notification No. 9, dated 28th June 1934, the Commissioner of Excise hereby prescribes the following rules for the issue, etc., of licences under section 12 of the Madras Abkari Act I of 1886, for the tapping of toddy-producing trees and for the drawing of toddy therefrom, to have effect in the following local areas from the 1st day of October 1935:—

(1) The villages in the Agency tracts specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Nilgiris district excluding the Gudalur taluk and Anjengo, Tangassari and the Attapadi valley of the Malabar district.

(3) The Banganapalle State.

1. Tree-tapping licences shall be issued on the application—

(a) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately;

(b) of persons having the exclusive privilege of manufacture and supply of coconut toddy arrack;

(c) of tappers on their own application in the South Kanara district provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken;

(d) of tree-owners generally, and of sweet-toddy tappers in the villages of the Agency tracts specified in Schedule I in the East Godavari district, in the West Godavari district and in the Repalle and Bapatla taluks of the Guntur district, for not more than five trees in the case of tree-owners and three trees in the case of sweet-toddy tappers for the drawing of toddy required for domestic consumption, but not for sale;

(e) of toddy shopkeepers or renters in the Mysore territory, in the Civil and Military Station, Bangalore, and in the Banganapalle State desiring to obtain toddy from trees growing in British territory;

(*f*) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Salt and Abkari Inspector of the State; and of toddy renters in the Cochin State; and

(g) of any member of a hill tribe whether a tree-owner or not residing in Sembachalam, Adivivaram, Madhuravada and Medasavalava villages of Vizagapatam taluk or in any of the villages of the Vizagapatam district specified in Schedule II, for not more than five trees for each household for domestic consumption, but not for sale.

In cases (b), (d) and (e) the licences may be issued in the name of the applicant himself or of his nominee, and in cases (a), (c), (*f*) and (g) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licences must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the district treasury or a taluk treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. In the case of persons mentioned in rule 2 (a) and (c) the tree-tax must be paid into a Government treasury of the taluk in which the shop is situated or to an authorized village munsif in the same taluk, and the renters concerned should affix a declaration in the applications to the effect that they have obtained a licence permanent or temporary for a shop specifying also the name and number of the shop for which trees are to be marked. The shop licences should be produced before village munsifs in cases where the applications and fees are presented to these officers. Pudukkottai renters, when applying for trees in British territory must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree-tapping licences must be made in the prescribed form to the Inspector, Excise Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of the Excise Department and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and

tappers need not be stamped; those put in by other persons must bear a court-fee stamp of one anna. In any case if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer; if payment has been made to a village head, the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned, along with the application in Form T.T. 3, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping license in Mysore. Applications from Mysore renters for licences for the tapping of trees in villages in the British territory in which there are trees belonging to Government should invariably be got countersigned by the village headman of the village in which the trees are situated in token of the correctness of the entries concerning the ownership of the trees. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier. The procedure for the marking of trees in British territory for toddy shops in the Civil and Military Station, Bangalore, will be similar to that laid down for the marking of trees in British territory for Mysore shops.

(2) Applications for tree-tapping licences in the South Kanara district should be countersigned by the owner or person in possession of the trees intended to be marked in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore and the Civil and Military Station, Bangalore, for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries of the Madras Government and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force, if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the rents when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licences for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rest thereto or for other sufficient reason and the mere payment of tree tax into a British or Mysore treasury does not entitle an applicant to tapping licences for trees so reserved.

6. (1) Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax into the Koilkuntla Sub-Treasury, the rate being the same as in the Kurnool district. Toddy shopkeepers in Banganapalle State will be allowed to tap trees in the adjoining British territory on payment of tree-tax in the treasury of the taluk in which the trees stand. Toddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

(2) Toddy shopkeepers in British territory adjoining Cochin State may be allowed to tap trees in that State on payment of full tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

A Cochin State renter applying for trees in British territory must pay full tree-tax in one instalment at the higher of the rates prevailing on both sides of the frontier, into a British treasury, and present to the British Tahsildar or Deputy Tahsildar concerned an application which must be certified or countersigned by the Circle Inspector of the division within whose jurisdiction the shop is situated. The British Circle Inspector to whom the application is forwarded shall have discretion to refuse to comply with an application, either wholly or in part. The currency of the licences and permits issued by the British Circle Inspector shall correspond with the periods for which licences for tapping are granted under the tree-tapping rules in force in the Cochin State. The licences and permits issued to the State renter by the British Inspector shall be liable to suspension or cancellation at the request of the Cochin State Excise officer.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) Unless there are special reasons for refusing to mark the trees, the Inspector on receipt of an application will as soon take steps for the marking of the trees by an officer of rank not lower than a Sub-Inspector and for the issue of the licence. The Inspector may also at his discretion refuse to comply with an application either wholly or in part, if he considers that the trees applied for are in excess of the legitimate demand of the shop. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the East Godavari district, in the West Godavari district, in the Repalle and Bapatla taluks of the Guntur district and in the villages of the Agency tracts specified in Schedule I, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dadaul (*Areca Wightii*) trees in South Kanara, tree-tapping licences shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following and for coconut and sago trees they shall be half yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th September immediately following, except in the case of the trees which have been illegally tapped, on which the full tree tax may be levied.

Bill No. 8 of 1935.—Madras District Municipalities (Amendment) Act No. XIII of 1935.—Madras Local Boards (Amendment) 89 91

SUPPLEMENT:

Bill No. 7 of 1935.—Indian Registration (Madras Amendment).—Tamil, Telugu, Kanarese, Malayalam, Hindustani and Oriya.

Bill to be introduced in the Council of the Governor of Fort St. George assembled for the purpose of making Laws and Regulations.

Under Rule 18 of the Madras Legislative Council Rules, the following Bill, together with the Statement of Objects and Reasons, is published for general information :—

BILL No. 8 OF 1935.

A Bill further to amend the Madras District Municipalities Act, 1920, for certain purposes.

Madras Act V of 1920.

WHEREAS it is expedient further to amend the Madras District Municipalities Act, 1920, for the purposes hereinafter appearing, It is hereby enacted as follows :—

Short title.

1. This Act may be called the Madras District Municipalities (Amendment) Act, 193 .

Amendment of section 3, Madras Act V of 1920.

2. For clause (8-C) of section 3 of the Madras District Municipalities Act, 1920 (hereinafter referred to as the said Act), the following clause shall be substituted, namely :—

"(8-C) 'Executive authority' means—

(i) in the case of municipalities included in Schedule IX or notified under sub-section (1) of section 12-C, the commissioner, or if there is no commissioner in charge, the chairman; and

(ii) in the case of other municipalities, the chairman.

Explanation.—A commissioner shall be deemed to be in charge when he is absent on casual leave.'".

Amendment of section 73, Madras Act V of 1920.

3. In section 73 of the said Act, for the words "eighty rupees," the words "fifty rupees" shall be substituted.

STATEMENT OF OBJECTS AND REASONS

Under the Madras District Municipalities Act, 1920, as it now stands, the chairman of a municipal council ceases to be its executive authority with effect from the date of publication of a notification under section 12-C (1) of the Act to the effect that a commissioner shall be appointed for the municipality. After that date, the functions of the executive authority under the Act can only be performed by the commissioner appointed for the municipality. This causes administrative inconvenience as it has not been found possible to avoid an interval, however short, between the date on which a municipality is notified under section 12-C (1) and the date on which the commissioner appointed for the municipality actually takes charge. A similar inconvenience also arises when there is an interval between the date on which a commissioner avails himself of leave (other than casual leave) or is transferred elsewhere and the date on which his successor takes charge. In order to avoid these administrative difficulties, it is proposed to recast the definition of 'executive authority' [clause (8-C) of section 3] so as to provide that, during such intervals, the chairman of the municipal council shall be its executive authority.

2. It is also considered desirable to enlarge the powers of the municipal council in the matter of making appointments to posts under the council. Under section 73 of the existing

Act, the municipal council has power to make appointments to all posts, the pay or the maximum pay of which exceeds eighty rupees per mensem, while the executive authority has power to make all other appointments. It is proposed to substitute the limit of fifty rupees for that of eighty rupees found in the existing section. The result of the amendment will be to transfer the power of making appointments, the pay or maximum pay of which exceeds fifty rupees per mensem but does not exceed eighty rupees, from the executive authority to the municipal council.

RAJA OF BOBBILI.
